PERMISSION FOR MEMBER TO BE
CONSIDERED AS PRIMARY SPON-
SOR OF H.R. 1744

Mr. PAPPAS. Madam Speaker, I ask unanimous consent that I may hereafter be considered to be the primary sponsor of H.R. 1744, a bill originally introduced by Representative HASTINGS of Florida, for the purpose of adding co-sponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore (Ms. BOURDEAUX). Is there objection to the request of the gentleman from New Hampshire?

There was no objection.

CELEBRATING 31ST ANNIVERSARY
OF ADA

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Madam Speaker, this morning, I had the privilege of joining President Biden at the White House to celebrate the 31st anniversary of the Americans with Disabilities Act.

This landmark civil rights law has drastically improved the lives of people with disabilities across our Nation, including mine.

In 1980, an accidental gunshot left me paralyzed, and for 10 years, I experienced firsthand the adversity that the disability community faced before the ADA.

Since its enactment, this law has helped break down barriers and stamp out discrimination. It has opened doors to new opportunities for people with disabilities and allowed members of our community to reach previously unattainable places in society.

In fact, I can say with confidence that without the ADA, I would not be a Member of Congress proudly representing the people of Rhode Island.

Madam Speaker, though we have made tremendous progress with the

ADA, we can't stop fighting yet. I will continue working closely with advocates and lawmakers like my dear friend, our Majority Leader, STENY HOYER, to advance meaningful legislation to support and protect the rights of people with disabilities.

HONORING THE LIFE OF BRIAN
SCHLIFKE

(Mr. BARR asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BARR. Madam Speaker, I rise today to honor the life of a great American and my dear friend, Brian Schlifke, of Lexington, Kentucky.

Brian served in the United States Army Signal Corps during the Vietnam war, answering our Nation's call with valor through two tours. He was a specialist in communications and earned the Bronze Star and Combat Medal. He once said that he was "no hero, just proud to have been of service to my fellow soldiers."

He continued that spirit of service throughout his life, working diligently on behalf of other veterans. He was associated with the Vietnam Veterans of America and Kentucky's Sixth District Veterans Coalition.

Brian was a tireless advocate for his fellow veterans and worked in a positive way to bring about necessary legislative changes. He had a great spirit and a contagious smile, and his love for his country was unwavering.

Our Nation lost a true patriot when Brian passed away on June 20, 2021. Brian is survived by his wife, Anne, and many other family members.

It is my distinct honor, on behalf of a grateful Nation, to remember, recognize, and pay tribute to the exemplary life of Brian Schlifke.

REMEMBERING DAVID CASTRO

(Mrs. FLETCHER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. FLETCHER. Madam Speaker, I rise today with a heavy heart to honor the life of one of my constituents, David Castro.

Born and raised in Houston over the last 17 years, David was tragically killed in a road rage incident on his way home from an Astros game just earlier this month.

He had a bright future ahead of him. A National Merit Scholar semifinalist, he excelled in math and physics. He was a percussionist in the Westside High School marching band.

Today, as I extend my deep condolences to David's family and friends for their loss, I rise to share their wish that our community and our country remember David through random acts of kindness. What a beautiful way to memorialize him.

David Castro will be missed but never forgotten and will live on in acts of kindness across this country.

HONORING THE LIFE OF COLONEL EDWARD IRWIN WEXLER

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor the life of Colonel Edward Wexler, of Savannah, Georgia, who passed away on June 30 at the age of 75.

Colonel Wexler was a Savannah native who lived a truly remarkable life. After graduating from The Citadel, he was commissioned as a second lieutenant in the United States Air Force. Colonel Wexler traveled the world with the United States Air Force, serving in many different countries. He retired from the Air National Guard in 2006, having over 35 years of service.

Following retirement, Colonel Wexler continued to serve his community. He became director of the Combined Federal Campaign for Coastal Georgia, president of the Savannah Military Officers Association, and junior vice commander of the Veterans Council of Chatham County.

Colonel Wexler's dedication to improving the lives of others will never be forgotten. My thoughts and prayers are with Colonel Wexler's family, friends, and all who knew him during this most difficult time.

RESTORING COMMUNITIES LEFT BEHIND

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Madam Speaker, I rise this evening to thank Chairwoman MAXINE WATERS for including the Restoring Communities Left Behind Act in her Housing is Infrastructure bill.

This legislation, led by Congresswoman RASHIDA TLAIB and myself, would direct \$5 billion toward programs for homeowner rehabilitation assistance, weatherization, improved accessibility for seniors and people with disabilities, refinancing, and property tax relief.

It will restore quality housing in the cities I represent, such as Toledo, Lorain, Sandusky, and Cleveland, which have suffered from decades of job losses, recessions, the foreclosure crisis of 2008, and chronic housing underinvestment.

Congress must serve as a partner to our on-the-ground organizations and local leaders who know what resources are needed where and how best to deploy them to revive their neighborhoods.

These investments will repair homes, stimulate economic growth, and revitalize communities. I urge all of my colleagues to support its passage, and I send my thanks to all who have helped us along this really vital road.

RETURN OF DEBT CEILING

(Mr. BURCHETT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURCHETT. Madam Speaker, the return of the debt ceiling on July 31 should flash fiscal warning signs for every elected official in Congress.

The debt ceiling was suspended for 2 years back in 2019. Since then, Congress has kept up its reckless spending habits like a teenage shopaholic at the mall with a credit card.

Now, government debt is over 100 percent of our domestic product—100 percent, Madam Speaker.

We clearly ignored the spending problems that got us into this mess in the first place. There needs to be a limit on how much debt elected officials can put on the taxpayers' shoulders.

My legislation, the Reforming America's Fiscal Toolkit Act, would amend Congress' budget process to keep government debt lower than our gross domestic product. This would limit how much financial trouble Congress can get the country into.

You know what they say, Madam Speaker: The first step to solving a problem is recognizing you have a problem, and dadgummit, Congress has a problem.

Congress needs to put a spending check on itself, or our country is going to end up like that out-of-control teenage shopaholic: bad credit, high interest rates, broke, and living in their parents' basement.

200 DAYS OF DELIVERING FOR THE PEOPLE

(Mr. AUCHINCLOSS asked and was given permission to address the House for 1 minute.)

Mr. AUCHINCLOSS. Madam Speaker, last week, we celebrated the 200th day of the 117th Congress and 200 days of getting shots in arms, students in classrooms, money in pockets, and Americans back to work.

Thanks to House Democrats and President Biden, we passed the American Rescue Plan, delivering funding and relief to the Commonwealth and to Americans across the country.

In Massachusetts, nearly 74 percent of adults are fully vaccinated, allowing them to reunite with friends and loved ones, and we have sent over 500,000 stimulus checks to Bay Staters.

When I came to Congress, I promised our students and families that they would return to in-person learning. The American Rescue Plan delivered on my pledge, providing Massachusetts schools with \$1.8 billion in Federal relief to support their students and staff as they re-entered the classroom.

We lifted up our care economy, securing over \$1 billion to reduce the cost of childcare and pay our care workers a fair wage.

As a parent, I worked hard to provide our working families with the historic

tax relief that they deserve. The child tax credit we passed will cut child poverty in half and help nearly 60 percent of children in my district, from Brookline to Fall River.

We passed the INVEST Act, a transformational bill that will reimagine transportation while delivering clean energy and spurring job creation. Now, the Senate has the legislative framework it needs to make our infrastructure plan a reality.

From the depths of the crisis, House Democrats delivered needed recovery for Americans in just 200 days.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABOR- TION ACT

(Mr. BILIRAKIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BILIRAKIS. Madam Speaker, in Pasco County, one of the counties in my district, we have seen a huge spike in overdoses, including 25 fatalities in the month of June alone. Very, very sad.

During January through June 2021, we have seen more overdoses than any other similar period on record.

Fentanyl continues to be a significant factor. We must do everything we can to prevent fentanyl from flooding our streets, including stopping the free flow at our Nation's southern border.

I have been to the border, Madam Speaker, and I have seen how easy it is to move drugs into our country. We must secure our border.

Additionally, we must implement commonsense safeguards to prevent opioid abuse and improve access to quality treatment options. I will continue to work on these priorities.

Separately, Madam Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

RECOGNIZING THE ANNIVERSARY OF THE AMERICANS WITH DIS- ABILITIES ACT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to recognize the anniversary of the signing of the Americans with Disabilities Act.

As someone who spent their career before Congress as a healthcare rehabilitation professional, I experienced
